

SUSSEX CHRISTIAN SCHOOL

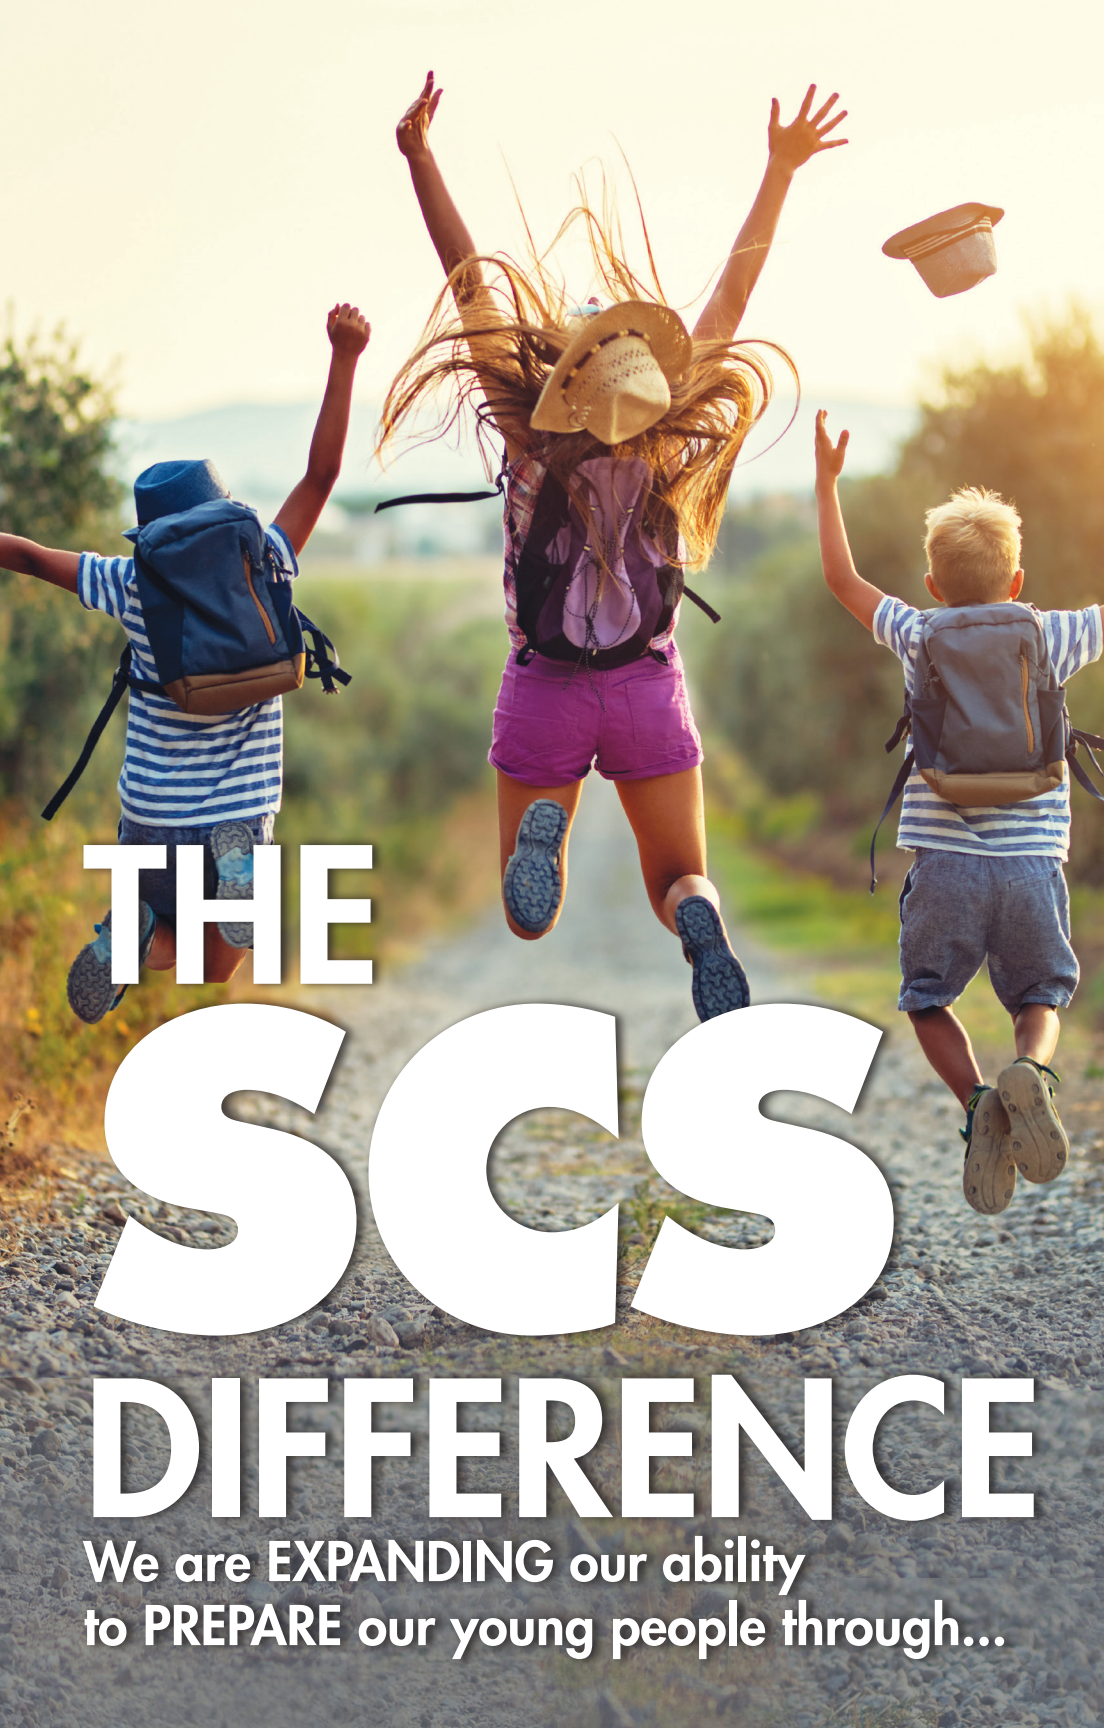

**CHRIST-CENTERED
EDUCATION**

FOR THE MODERN STUDENT

For over 60 years, Sussex Christian School has been a beacon on a hill where generations of God's leaders, community builders, and faithful citizens have learned and experienced the foundational truths of His kingdom. As these generations have grown, so have the needs of the modern student and the expectations of the modern family.

SCS has always strived to prepare young people to live fully for God in a rapidly changing world. Today's students will graduate with the ability to understand and evaluate their environment. Equipped with this knowledge, they will transform the world because of their foundation in God's unchanging Word.

THE SCS DIFFERENCE

We are EXPANDING our ability
to PREPARE our young people through...

INTEGRATED OBJECTIVES:

1. **Employing a Modern Educational Pedagogy**

We incorporate the best practices for collaborative learning, communicative abilities, technology STEM integration, homework, mission-focused education, and our modern Christ-centered curricula. Our students will be given the space to succeed to the highest standards in accordance with their God-given talents and the tools to build each other up as a community.

2. **Utilizing our Expansive Classrooms and Facilities**

At the SCS campus, generations of supporters have joined in faith to build many additions now offering over 150 SF of classroom space per student. Our classroom design is constantly being renewed in accordance with best practices, including the creation of occupational therapy friendly spaces, integrating technology, installing optimal classroom lighting, and learning environments designed to promote collaborative learning and STEM practices. SCS utilizes this state-of-the-art learning environment to offer our young people the greatest chance for success.

3. **Building the KINGdom with Inclusive Education**

At SCS, we believe that, as children of God, we are each made in His image. Recognizing this, we see each child as uniquely gifted by the Creator. Each child with varied abilities, learning differences, and academic gifts benefit from the educational setting tailored to their individual needs. We are committed to meeting the needs of every child enrolled at Sussex Christian School. This is why we offer a Christ-centered education that integrates children with learning differences of varied strengths and weaknesses. In doing so, this creates a culture that equips each student to actively

4. **Outdoor Learning Center**

SCS is taking a major step forward in 2020 by expanding on our traditional exploration of God's world with the inclusion of our Outdoor Learning Center. Sussex Christian School's Outdoor Learning Center will provide educational opportunities to our students in Preschool through 8th grade through unique educational programs focused on science, technology, environment, history, and leadership education. Students will learn important lessons and values in a hands-on environment around versatile outdoor spaces. SCS is encouraging the holistic development of our young people's self-improvement, community building, their love, respect and understanding for nature, and providing positive benefits to their social, physical, and mental health.

5. **Creating a Lasting Spiritual Community**

The transformation of the world from the foundation of God's unchanging Word works best when we are in complete partnership with families and churches. The Lord's blessings abound when His people are in community, working together to build His kingdom. SCS is committed to build relationships with area churches and discover and develop partnerships and service missions to work together for God's glory.

6. **Excellent Extracurricular Activities**

SCS is committed to helping our young people showcase their God-given abilities and express their passions through robust Art and Music programs, through our Christmas programs, Spring Musicales, and Junior High Plays, and through our Stallion Tribune newspaper. Our athletic programs, including Soccer, Basketball, and Track & Field, demonstrate the Christ-like attitude within competition and sportsmanship. Our newly launched Summer Learning Initiative offers students the opportunity to reinforce or recover concepts between traditional school years and is a great example of how activities or clubs are created out of the community's needs and passions.
